Please note, we are not currently open to the public and do not have a tasting room.

8600 Templeman Road  
Forestville, CA

Reuling Vineyard is located in the Sonoma Coast AVA, just outside the town of Forestville, California. Planted in 2000, Reuling Vineyard has developed into one the premier Pinot Noir & Chardonnay properties of California. Comprised of 12.2 acres of Pinot Noir, three clones comprise the blend—Calera, and two different “suitcase” clones from the Vosne-Romanée region of Burgundy. There are also 2.2 acres of Chardonnay from clones of the famed Montrachet vineyard in Burgundy.
